Residential on 0.00 Acres

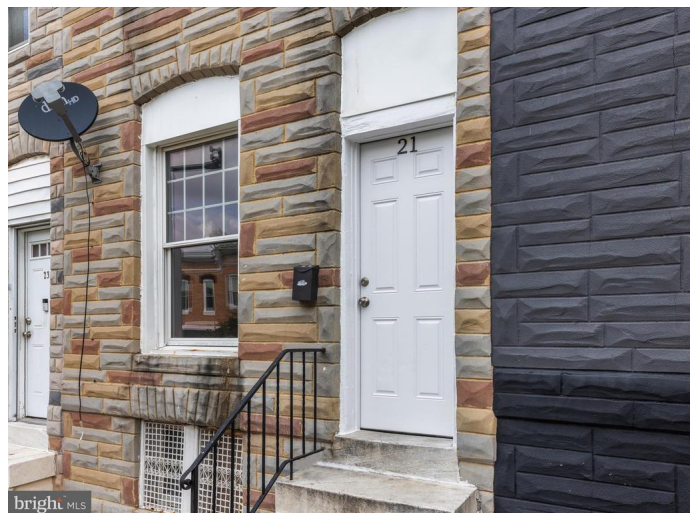

PATTERSON PARK, Baltimore, MD

This 4-bedroom, 1.5-bath home offers historic details and practical updates, including a fresh neutral color palette throughout, new stair carpet, and a newly installed cement rear patio. The entry vestibule retains its original tile, leading to the main level with newer wood-look vinyl flooring for easy upkeep. A bright bedroom sits at the front of the home, followed by a living room that opens to the kitchen with a gas range and granite countertops. From here, step out to the fenced rear patio, a potential parking pad. A half bath completes the main level.

Upstairs, a skylight brings light to the hallway connecting three bedrooms and a full bath with a tub/shower combination. The unfinished basement provides plenty of storage space and laundry area.

The location offers convenient access to Patterson Park, the Highlandtown arts and shopping district, Oriole Park at Camden Yards, and Lexington Market. Nearby public transit options include the Johns Hopkins Metro station and the Charm City Circulator.
